

Belt Warranty

Ultimax Snowmobile Drive Belts are covered by a limited one year warranty.

Should your belt fail within one year of the purchase date, a replacement belt will be provided under the following conditions.

All warranty claims must include proof of purchase (sales receipt or dealer invoice), the failed belt, the completed warranty information, and a check or money order (no cash please) to cover return postage and handling. Upon receipt of these items, Quality Control personnel will inspect the failed belt. Providing, in their considered opinion, the belt was properly installed, on the correct machine, with drive system in good repair and not intentionally cut, damaged or used for racing, a replacement belt will be sent free of additional charge.

Note: Liability under any express or implied warranty is limited to replacement of the belt. Carlisle shall not be liable for any incidental or consequential damages. This warranty is in lieu of all other warranties expressed or implied and all other obligations or liabilities.

Warranty Information

Please complete the information on the back of the sleeve or fill out the form below and send it along with the failed belt. This information, plus enclosures must be shipped within 30 days of failure in order to be considered a valid claim.
